

# Bridgeton Day Camp 2020

## Program

An outdoor adventure awaits kids ages 5-12 at Bridgeton Day Camp! The 6-week program runs from 9 a.m.-3 p.m., Monday through Friday. Camp is based in Gentry Park.

Campers participate in active, exciting programming, including one field trip every other session and swimming at Bridgeton Crossing Family Aquatic Park 2-3 afternoons per week. Crafts, games, sports, songs and other activities round out a typical day at camp.

## Registration

The camper's parent or legal guardian must register in person at the Bridgeton Recreation Center. If this is your first time enrolling in Bridgeton Day Camp, please bring a copy of his/her birth certificate with you when you register.

The camper **and** his/her parent/guardian must have a current Bridgeton Parks and Recreation ID to receive resident rates. The camper must be part of a Household membership to receive member rates. You will also need to bring the names and phone numbers of emergency contacts. **Registration begins Tuesday, March 3 and closes the Monday prior to the beginning of each session**, or when the session is filled. Don't wait to register--once a session is full, no more campers will be accepted! You will receive a Parents' Guide with more information at the time of registration.

**Reminder: Registration closes the Monday prior to the start of each session, or when the session is filled! NO exceptions will be made.**

# 2020 Teen Camp

## Program

Our camp is for teens ages 12-15 who don't want to spend their summer sitting on the couch! Campers get to meet new friends and explore St. Louis through field trips and activities. There are five sessions of camp and each will be different, so you can sign up for all of them.

Teen Camp meets each morning at the Bridgeton Recreation Center, and runs three days a week, Monday, Tuesday and Wednesday, from 9 a.m. to 3 p.m. with an occasional extended day for long field trips such as Six Flags. Each week will consist of two field trip days and one on-site day which includes swimming at Bridgeton Crossing. By popular demand, three of the five weeks will include Six Flags trips. Camp calendars with the full field trip schedule are e-mailed to registered participants as soon as they are finalized.

## Registration

If your child has not attended a Bridgeton summer camp before, please bring a copy of his/her birth certificate with you when you register. You will also want to bring emergency contact names and phone numbers to complete the registration form. Due to the nature of the program, each session will have a maximum of 21 participants. Registration closes two Mondays prior to the start of each session, or when the session is filled. **Sessions may be cancelled if minimum enrollment is not met by registration closing date.**
